# SCIENCE HUNT

GRADES 1 - 3

## WELCOME TO THE DETROIT SCIENCE CENTER.

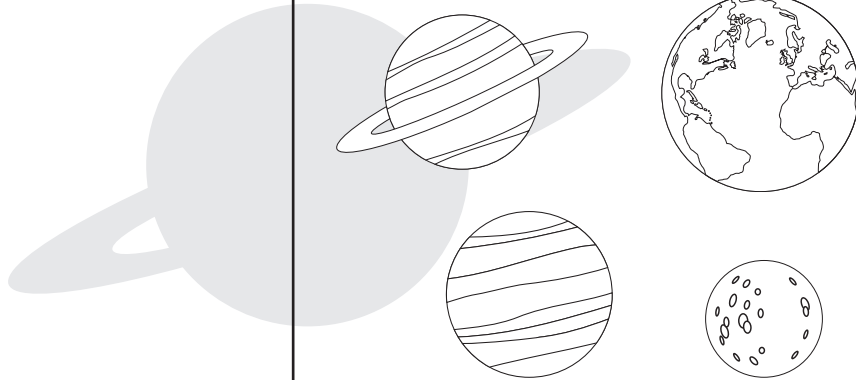

Within the galleries, you will find the answers to our Science Hunt questions by exploring the galleries and interacting with the exhibits.

**\*\*NOTE TO CHAPERONES AND ADULTS:** *The children will draw answers to these questions. You will need to help the children read the questions and exhibit signs.*

### 1 Space Exhibits

Find the telescopes and draw what you see through one of them.

Color the planet below that looks like the Earth.

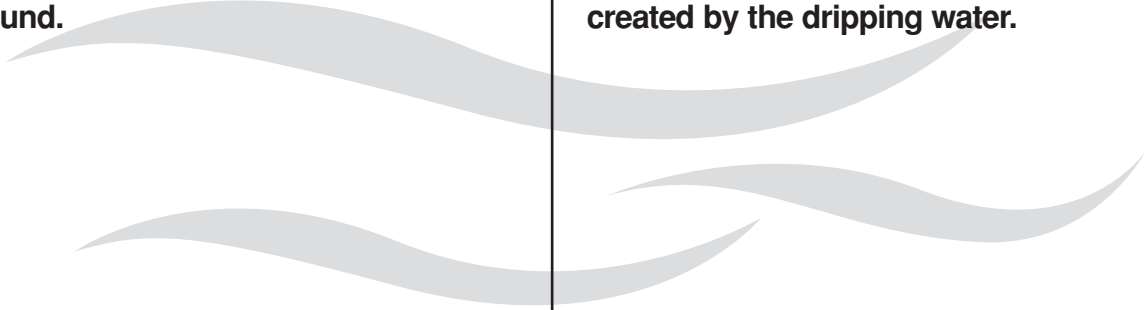

### 2 DTE Energy Science Sizzle & Spark

Draw a picture of the *Giant Lever*. Show where the weight is and where it is easier to pull the rope down.

Make a sail car sail across the *Sail Car Table* using only the wind. Draw a picture of how you turned the sail and where you put the car to make it sail.

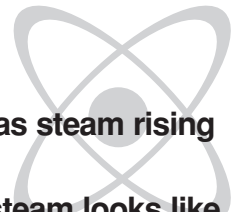

Draw a picture of something in this gallery that made a sound. Show how it made the sound.

Find the “*Single Drop*” water exhibit. Draw the shape of the waves that are created by the dripping water.

Draw a picture of something that uses electricity in this gallery that you also have in your home.

Find the large exhibit that has steam rising out of it. What is it? Draw a picture of what the steam looks like as it comes out of the exhibit.

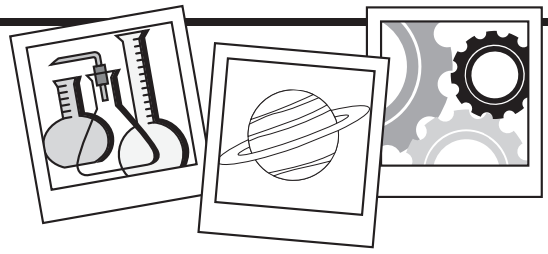

### 3 Medical Exhibits

Draw a picture of a heart. Draw a picture of where your heart is.

Draw a picture of a broken bone that you saw in the *X-rays*.

# Remembering Your Science Center Visit With Pictures.

**Draw a picture of your favorite exhibit or memory  
of your visit to the Science Center.**

**Use the space below the picture to describe it.**

A large, empty rectangular box with a thin black border, intended for drawing a picture of a favorite exhibit or memory from a visit to the Science Center.
